A NOTE FROM OUR CEO

Fiscal Year 2018 was a momentous year for our organization. With increased focus on quality, we expanded programs across our K-12 youth development continuum.

With your help:

- We expanded our Literacy Program to serve 346 K-3 members with a comprehensive, holistic approach that embeds positive youth development and social and emotional learning (SEL) methods with evidence-based reading strategies. We also partnered with Wilder Research for a three-year assessment and evaluation of this program to inform future enhancements toward greater outcomes.
- We deepened Teen Pathways career and workforce programming to better meet the developmental needs of our 3,158 teen members, with focuses on Self-Discovery for 7th and 8th graders, Exploring Community for 9th and 10th graders, and Identifying a Plan for the Future for 11th and 12th graders.
- We integrated SEL strategies across all programs, establishing a framework and a common language that can be used to communicate the strengths and challenges of children and youth.
- We added an academic director, a new position to lead the Literacy Program and to provide coaching and training to education/literacy specialists at each of the five main Club sites.
- We added a director of youth development services, a new position to embed quality assurance across all programs. The director conducts informal staff observations and delivers formal professional development/training sessions centered on youth work best practices and building equity and inclusion.

We are grateful for your partnership and support. Our generous donors, board members, staff, and volunteers make it possible for Club kids and teens to dream big and achieve success!

Terryl Brumm
President & CEO

Our mission: to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.
WHO WE SERVE: In 2018, dedicated staff delivered programs to 8,398 youth at 8 locations across the Twin Cities.
OUR PROGRAMS
Creating opportunities for success from Kindergarten to post-secondary

K - 3rd
Comprehensive Literacy
Instruction & Evidence-Based Evaluations

4th - 6th
Comprehensive Literacy and Numeracy Instruction & Evidence-Based Evaluations

7th - 8th
Self-Discovery:
Helping teens build self-awareness and a desire to serve others

9th - 10th
Exploring Community:
job skills, career exploration, youth voice, and service to Club and community

11th - 12th
Identifying a Plan for the Future:
strengthening job skills, defining career path, elevating youth voice, and leading Club service

CLUB ALUMNI
Scholarships Mentoring Service to Club Post-Secondary

S.T.E.A.M. - Science, Technology, Engineering, Art, and Mathematics

Good Character & Leadership

Healthy Lifestyles - Mind, Body, & Soul

Pipeline to Workforce
LITERACY PROGRAM
BGCTC has developed a Literacy Program that embeds positive youth development, social and emotional learning techniques, and family engagement with literacy instruction. The model is a holistic approach that takes into account the whole student’s needs and experiences from home, school, and community. Our goal is to ensure that all members are reading at their appropriate grade level and mastering the skills necessary to transition from learning to read to reading to learn.

In 2018,
- 94% of students who received literacy instruction from fall to spring made positive gains in cumulative test scores
- 733 youth participated in STEM activities
- 176 Club seniors graduated from high school, up 65% over FY17.

TERRUCE’S STORY
When Terruce joined the Literacy Program at our Southside Village Club last fall, he was assessed as High Risk (reading in the 20th percentile or below for grade level). English is his second language and he struggled to speak, let alone read. He needed extra reassurance and sought to please and be recognized by adults around him.

By focusing on social and emotional learning (SEL) strategies, as well as involving Terruce’s mother, Kimberly, the staff at Southside have helped Terruce gain confidence. In just one year, he has moved from High Risk to the College Pathway category (reading above the 85th percentile for grade level).

“Sometimes Terruce has bad days, and the staff talk to me so we can make a plan to help him improve,” Kimberly said. “It makes me feel so good to see him excited about going to the Club.”
HEALTHY LIFESTYLES

The Healthy Lifestyles strategy develops young people’s capacity to live healthfully by educating youth about fitness, nutrition and smart health decisions.

157,722 healthy meals and snacks were provided to Club members

1,069 youth participated in sports leagues

60% of Club members ages 9 and older reported getting at least one hour of physical activity five or more days per week
GOOD CHARACTER & LEADERSHIP

The Good Character & Leadership strategy encourages youth to be engaged by providing character, leadership, and service learning opportunities to Club members.

In 2018,

- 62% of youth and teens surveyed volunteered in their local Club and/or in their community at least once a month
- 80% of teen members reported they spent time working on projects with other people to help the community
- 80% of teen members reported they are good at organizing a team of kids to complete a project
- 84% of teens members believed they could make a difference in their communities

DAYA’S STORY

Daya, a junior at Patrick Henry High School, is new to our Patrick Henry Club this year but has already made a lasting impact. Daya is a member of the Club’s Black Student Union and participates in Teen Pathways programming. She is also a participant in the Minneapolis Beacons’ very first Youth-Led Participatory Action Research (YPAR) project, where she will be one of six students involved in an innovative approach to positive youth and community development based in social justice principles.

Daya says that joining the Club has helped her broaden her interests and define her goals for the future. After graduation, she hopes to become a veterinarian or a Certified Nursing Assistant.

“Daya is a young person who is focused on bettering her life and contributing to the lives around her. She is always encouraging and supporting those around her to focus on their goals,” says Amy Vilayrack, branch director of the Patrick Henry High School and Olson Middle School Clubs.
In 2018,
• 241 teens completed the Goals for Graduation program
• 274 teens were trained in job skills through Career Launch
• 237 youth completed the Money Matters financial literacy curriculum
• 25 Career Day events were hosted by local businesses
• 168 teens secured a job, internship, or apprenticeship

Of participating teens surveyed,
• 98% reported they maintained an appropriate grade level for their age
• 96% reported they expect to graduate from high school
• 96% reported they expect to complete some post-secondary education or trade school

TEEN PATHWAYS
Teen Pathways provides youth ages 13-18 with skills-based career and workforce training and hands-on guidance and mentoring to prepare them for a successful future, whether in college or career.

Anaa Jibicho, high school senior and our 2017 Youth of the Year, has been an active member of the Mt. Airy Club for eight years. Through programs like Career Launch and Money Matters, Anaa has developed interests in business and government—which he hopes to study at Pomona College in Claremont, CA, which he will be attending in 2019 on a full-ride scholarship.

“The Club is a place where you can learn who you are and who you want to be. It allows you to make mistakes in order to become great.”

Senior Shoua Thao has quickly emerged as a leader in the three years she has attended the East Side Club. As president of her Keystone Club, Shoua volunteers in her community and serves as a role model for younger Club members. Shoua is also a member of Health Occupations Students of America, and plans to pursue a career in nursing.

“When I first came to the Club, I didn’t really talk to anyone. But the staff had open arms and said, ‘It’s okay to be you’. They helped me learn how to express myself.”
VOYAGEUR ENVIRONMENTAL CENTER

BGCTC’s Voyageur Environmental Center (Voyageur) is a year-round environmental education center located just 25 miles west of the Twin Cities in Mound, Minnesota. Activities offered at Voyageur include canoeing, swimming, nature hikes, and first aid training. Through the Voyageur residential camp experience, youth can learn camping and survival skills, increase resiliency and mindfulness through nature, connect to the outdoors, and have a chance to be both leaders and valuable members of a group.

- 451 youth participated in residential or day camps during the summer
- 410 youth participated in environmental programs during the school year
- 50% of participating urban youth were returning participants
- 70% of participating youth showed growth in the areas of self-confidence and self-respect
- 85% of participating youth surveyed reported they worked as part of a team
- 75% of participating youth surveyed said they left camp feeling that young people can make a difference in what happens to the environment
- 3 youth became counselors in training

AKIL’S CAMP STORY

Akil began attending Camp Voyageur when he was 12 years old. He was at a critical point in his life; he was getting into trouble at home and at school, he was shy, and he did not feel as though he could be himself.

Akil has made great strides since then. He just finished his fourth summer at camp working as a counselor and program staff member. Akil helped to plan and orchestrate group activities and assisted other counselors.

“Camp has helped me make lifelong friends and meet mentors who have helped shape me into the person I am today,” he says.
High school senior Heaven Cunningham first came to the East Side Club when she was 13 years old. Since then, she has excelled in both Academic Success and Teen Pathways programming and emerged as a leader among her peers. Heaven has served as the Vice President of the East Side Keystone Club, the largest and most active Keystone in the Twin Cities, since 2015.

Heaven also has a rigorous schedule outside of the Club, taking several Advanced Placement classes while serving as captain of her cheerleading squad for both basketball and football. As an active member of her community, Heaven participates in Girl Scouts and sings with her church youth choir.

After graduation, Heaven plans to attend either Jackson State University or Loyola University to pursue a degree in education or developmental psychology, with the long-term goal of becoming a teacher.

“The Club helped me see that I love volunteering and helping others in my community. It has boosted my confidence and made me a more professional, articulate person—things that I will need long after high school.”

Heaven Cunningham, 2018 Youth of the Year
The 56th annual For the Kids! Benefit was a truly magical event! Guests enjoyed cocktail hour, games, live and silent auctions, and a dinner program with keynote speaker Anaa Jibicho, our 2017 Twin Cities Youth of the Year. We also honored branch directors Andrew Jones, Diana Adamson, Mark Graves, John Hardeman, and Marcus Zackery for a combined 100 years of service.

In total, we raised $650,000 for the Boys & Girls Clubs of the Twin Cities!

Spring Thaw continued to grow in 2018, with 530 guests in attendance. This event is hosted by our Associate Board, a group of young professionals dedicated to increasing engagement among a younger audience through donations and volunteering. The night kicked off with a silent auction and performances by Club youth, transitioned to a three-course dinner and program, and concluded with a late-night dance party.

This event raised $75,000 for the Clubs in 2018, and we cannot wait to see how it continues to grow!

Kids in the City was another success! The event was packed with over 300 guests in attendance at our all-you-can-eat tailgating party at the Fulton Beer Taproom, and 80 FOX Sports North (FSN) All-Stars attending the Twins-White Sox game. The FSN film crew surprised the All-Stars with cake and balloons at their own pre-party with Buffalo Wild Wings.

By the end of the day, we had raised more than $100,000 for the Clubs!
This golf tournament is hosted by Morrissey Hospitality Companies, a long-time partner and supporter of the Boys & Girls Clubs of the Twin Cities. The event this year was filled with delicious food, on-course contests and prizes, and great company. **In total, we raised $34,000 for the Clubs!**

Thank you to Phil Jungwirth, the Morrissey Family, and Morrissey Hospitality for your ongoing support of the Boys & Girls Clubs of the Twin Cities.

Our 27th annual Knicker Open took place on a beautiful summer day at Minnesota Valley Country Club in Bloomington. **Twenty-two teams participated and raised $46,000 for the Clubs.** The event kicked off with a performance by our Al Lenzmeier West Side Notes for Notes group and a speech from our Youth of the Year, Heaven Cunningham. The players participated in games such as golf pong, competing head to head against our Little Earth Club kids. We are excited for some potential big changes to bring new supporters to this event in 2019!

After Brian Dozier was traded to the LA Dodgers, Twins pitcher Kyle Gibson and wife Elizabeth stepped up to the plate to host Grand Slam Dinner 2018. Guests enjoyed a cocktail reception, four-course meal served by Minnesota Twins players, and exciting auctions at The Capital Grille.

**By the end of the night, we had raised nearly $80,000 for the Clubs!**
