Minnesota Youth of the Year

On Wednesday, April 14, Youth of the Year candidates from Boys & Girls Clubs around Minnesota gathered virtually to compete for education scholarships and the title of Minnesota Youth of the Year. Following an introduction by FOX 9 reporter and BGCTC Associate Board President Kendall Mark, the event kicked off with special messages of encouragement from Minnesota Twins player Byron Buxton, Vikings quarterback Kirk Cousins, United FC player DJ Taylor, Lynx forward Natalie Achonwa, and Wild player Jordan Greenway. Minnesota Lt. Governor Peggy Flanagan and U.S. Senator Tina Smith also contributed wonderful words of congratulations to our youth participants.

During the candidates' remarks, Kou Her (2021 BGCTC Youth of the Year) shared about how he comes to the Clubs almost every day to seek support from Club staff and enjoy social time with his peers. His future plans include studying computer science and pursuing a career in IT or media. Then after brief remarks from 2020 Minnesota Youth of the Year and BGCTC alum Ke’la Scuefield, our youth candidates reconvened to await the winner's announcement.

Gezelle O., Boys & Girls Clubs of Rochester's Youth of the Year, was named the winner of the 2021 Minnesota Youth of the Year Title - congratulations, Gezelle! We are very proud of Kou and all of this year's candidates for their hard work, dedication, and excellent representation of Boys & Girls Clubs around the state of Minnesota.
In Support of Our Communities

BGCTC recognizes the overwhelming weight of trauma, unrest, and emotion being experienced in many of our communities right now, especially regarding the shooting of Daunte Wright last Sunday evening in Brooklyn Center, which is home to many of our youth, families, and staff members. Yet another death of a young Black man and father at the hands of a Minnesota police officer is an unimaginable hurt against the backdrop of Derek Chauvin’s trial currently underway in Minneapolis.

BGCTC is here to support Twin Cities youth and families in any way we can. If you or someone you know is in need of support or resources, or if you have access to resources that you wish to share with our communities, please reach out to us by contacting a Club near you.

Thank You for Helping Us Grow Strong!

Thanks to the generosity of our supporters during our Growing Strong campaign, we are excited to announce that we met the $10,000 match put forth by Lube-Tech! Throughout the month of March, we received contributions from nearly 100 donors, including many supporters who gave to our organization for the very first time!

We are so grateful for your support of our Healthy Lifestyles programming for youth, enabling our critical work to ensure the positive mental, emotional, and physical health of each young person we serve. Your donations are critical to helping us create a Culture of Wellness for all young people -- advancing food security and promoting good nutrition, providing safe spaces for healthy movement and play, and teaching foundational social and emotional learning skills. We’re also grateful to Lube-Tech for their generous matching gift, and for their dedication to our youth and families!

If you would like to make an additional gift to Boys & Girls Clubs of the Twin Cities in support of the youth and families we serve, please use the link below. Thank you for your continued support!

Nyagach gave an incredible spoken word performance at our [Voices of the Future Annual Meeting](#) event last November, as well as a stunning [speech](#) during our 2021 BGCTC Youth of the Year event. Remembering Ted Weyerhaeuser

Ted Weyerhaeuser, a longtime supporter of Boys & Girls Clubs of the Twin Cities, passed away suddenly on December 24, 2020. Ted served as a Board member with Boys & Girls Clubs of St. Paul before its...
merger with Boys & Girls Clubs of Minneapolis in 1999. Ted’s work during the merger was integral to its success, and he stayed actively involved with our organization through the end of his life.

In addition to his time serving on our Board, Ted’s values were reflected in his dedication to the boards of many other local nonprofits, including the United Way, the St. Paul Community Foundation, the Union Gospel Mission, the Ordway Center for the Performing Arts, Macalester College, and the House of Hope Presbyterian Church.

Ted will be remembered for his great love of family, friends and community. He brought a levelheadedness and sense of responsibility to all that he did, whether he was in the boardroom, working at home, or spending time with his children and grandchildren. We are grateful for the time, care, commitment, and support that Ted gave to our organization, and our continued thoughts are with his family.

Major League Baseball

With funding from Major League Baseball, BGCTC’s East Side Club is receiving a complete transformation of their teen room space! With input from our teens, the upgrades include new AV technology, a programmable stage and digital lighting system, new computers and wireless printer, a Tech Garage for storage and charging, new furnishings that can be configured for a variety of teen programming uses, and a new vibrant color scheme. The teen room at East Side has not been renovated for over 10 years, so we are very excited about this update to the space and technology that will better serve our teens and delivery of Teen Pathways programming.
