Welcome Back!

We are very excited to reopen two of our Clubs this month! Our Jerry Gamble Club (Minneapolis) and Mt. Airy Club (St. Paul) are now open for limited attendance for kids in grades 1-4 with high academic needs. In accordance with Minnesota's COVID 19 phased approach to reopening, each Club is currently able to safely accommodate up to 36 kids. We also plan to offer more spots in the fall!
Even with limited attendance, we are so happy to see kids in our Clubs again! We are currently exploring our options for reopening additional Club locations at a limited capacity. Please stay tuned as we work to SAFELY reopen more Clubs in the future!

Double your Impact for Minneapolis Clubs!

Over the past few months, our Minneapolis Clubs have taken on tremendous roles in supporting their communities and ensuring that every family in our neighborhoods can access critical resources throughout these challenging times. Thanks to our supporters, we can help our Clubs continue to provide food and supplies for families, and virtual programming and opportunities for summer learning for youth.

Help us unlock an additional $80,000 for our Minneapolis Clubs! ANY amount you can give will help us continue supporting our Minneapolis kids, families, and communities during these challenging times. Thanks to a generous match put forth by the Sonance Foundation, every dollar you give will be DOUBLED!

Make a gift TODAY and help us EXCEED our $80,000 match!
