ABOUT US

For more than 90 years, Boys & Girls Clubs of the Twin Cities has been at the forefront of providing physically and emotionally safe spaces for youth to develop the skills and tools necessary to build successful lives.

Club staff foster an environment of safety so that young people can engage with their peers in constructive programming and openly and honestly express themselves while discussing the challenges they encounter on a daily basis. Your support is critical and will allow us to maintain our commitment to safety, health, dignity, and equitable opportunities for all youth.
