OUR VOLUNTEER OPPORTUNITIES

The work we do is critical for the success of the youth in our community, and we could not do it without committed volunteers. At the Clubs, members are encouraged and inspired to explore their potential and prepare for their future in the years ahead.

HOW YOU CAN SERVE

Individual Volunteer Opportunities:

Club Programs and Activities

Individual volunteer activities and projects are available at all of our full Twin Cities Club locations and Voyageur Environmental Center in Mound, MN. As an individual volunteer, you can choose where you would like to help. You could help wherever you are needed, assist with a specific program of interest, or bring your own special skill or talent to share with our Club members!

Small Group Volunteer Projects:

Club Program Projects

For the safety of our youth and respect to our staffing patterns, we limit the number of group volunteers in the range of 2 to 15 per event. Some Clubs can accommodate more volunteers than others.

Large Group Volunteer Projects:

Facilities Projects

Large group projects are available at most Clubs and typically involve painting, landscaping, cleaning, or other similar activities. The maximum group size for this type of volunteer event varies per project, but generally we cannot accommodate groups larger than 50 and prefer groups at 25 or less.
