In transition – previously Sheriff,  
Hennepin County Sheriff's Office

**Mark Stonacek**  
Cargill

**Ryan Tanke**  
Minnesota Timberwolves

# A NOTE FROM OUR CEO

Fiscal Year 2019 closed with good momentum and the announcement of two new Club sites in Richfield to open in fall 2019.

We have seen a strong and growing demand for services in the community. BGCTC's executive leadership team and board of directors recently determined an innovative 2025 strategic plan to move forward in our goal to magnify the Clubs' impact for kids and teens in the Twin Cities, with every Club member on track to graduate high school with a plan for the future. Expanding our program locations will remove transportation barriers and serve communities where there is proven need.

As we begin a new decade, this is an exciting time for our organization. With your help, we are expanding our reach with high-quality, impactful programs to magnify the Clubs' impact for kids and teens in the Twin Cities. We are building strategic partnerships and developing innovative approaches to fundraising to support our plan for continued growth.

Over the past year, BGCTC heightened Diversity, Equity, and Inclusion (DEI) practices. We created a new board committee to address DEI as a shared value and priority. We have also expanded opportunities in our teen programming to elevate youth voice and advocacy for systems change.

We are grateful for your support and your passion for helping young people reach their full potential. Our work of preparing ALL youth for successful futures would not be possible without our generous donors, board members, staff and volunteers.

From our kindergarteners to our high school seniors, Club kids and teens are reaching for success and finding it!

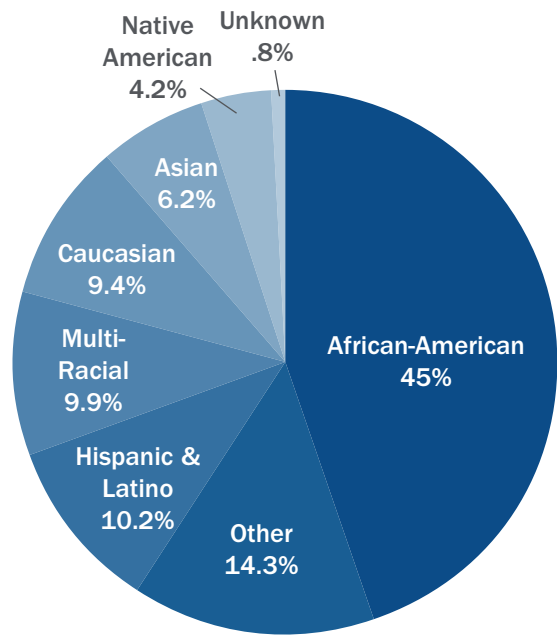

Terryl Brumm  
President & CEO

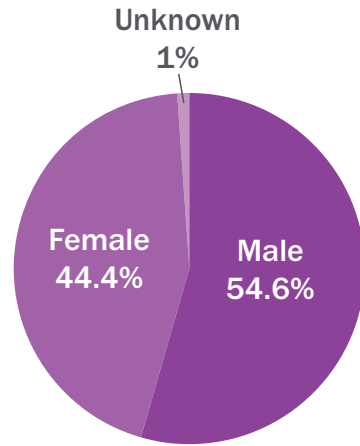

*Our mission: to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.*

# WHO WE SERVE

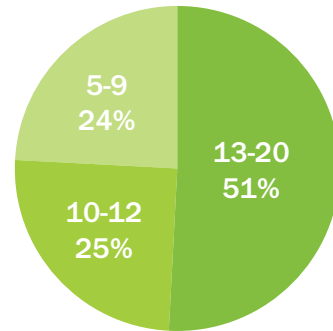

In 2019, we served 7,763 youth at 8 Twin Cities Club locations and Voyageur Environmental Center in Mound.

ETHNICITY

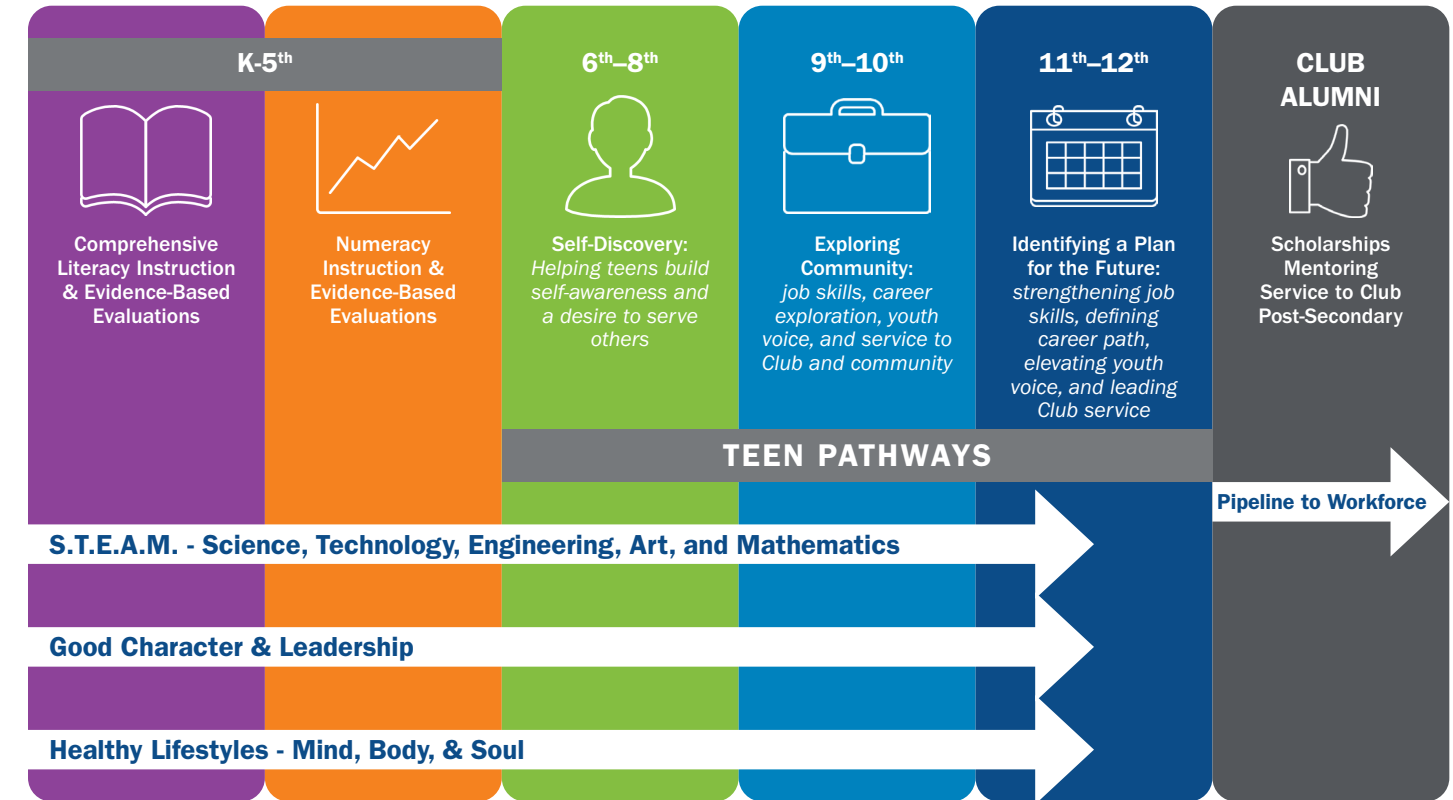

GENDER

AGE

# OUR PROGRAMS

Creating opportunities for success from Kindergarten to post-secondary

# ACADEMIC SUCCESS

BGCTC'S Academic Success strategy assists young people TO BECOME LIFELONG LEARNERS and do well in school, providing youth opportunities for educational enhancement, career exploration, and augmented learning in literacy, finance, arts, and technology. In 2019, BGCTC provided more than 5,500 youth with academic enrichment, homework help/tutoring and career exploration activities to increase school engagement and performance, and to prepare youth for post-secondary success.

**LITERACY PROGRAM** / Through our work in this program over the last three years, we are seeing that with focused literacy support, members are making gains to be reading by 3rd grade. We have also learned that the pace of progress is individualized. Data-informed instruction has helped guide our staff to make adjustments along the way to best support the needs of program participants. In 2019, 397 K-3 youth participated in the Literacy Program to improve reading and comprehension skills. An additional 237 youth in grades 4-6 assessed as below grade level in reading also participated in the program. Fall to spring (2018-2019 school year) results showed positive gains at all age levels: 271 K-6 students had fall and spring scores, 247 (91%) made gains in cumulative test scores.

**STEAM PROGRAMS** / 1,495 youth participated in STEAM (Science, Technology, Engineering, the Art & Math) programs. Hands-on activities with real-world applications increase creativity, critical thinking, decision-making, and problem-solving skills.

# HEALTHY LIFESTYLES

BGCTC's Healthy Lifestyles strategy develops young people's capacity TO LIVE HEALTHFULLY by educating youth about fitness, nutrition and smart health decisions. Activities focus on instilling positive conflict resolution techniques, encouraging positive behaviors, setting personal goals, and building resistance skills that nurture and strengthen kids' minds and bodies.

135,000

nutritious meals and snacks were served to Club members

1,390

youth participated in fitness and social recreation programs

60%

of Club members ages 9 and older reported getting at least one hour of physical activity five or more days per week

## GOOD CHARACTER & LEADERSHIP

BGCTC has achieved positive results to ensure our youth and teens are prepared for success in school and life. Good Character & Leadership programs inspire youth TO BE ENGAGED by providing character, leadership, and service-learning opportunities to Club members. Outcome-driven programs coach youth to develop planning and decision-making skills by supporting and influencing their Club and community.

### IN 2019:

- **64%** of youth surveyed volunteered in their local Club and/or in their community at least once a month
- **86%** of youth surveyed reported they spent time on projects with other people to help the community
- **89%** of youth surveyed believe they can make a difference in their community

## YOUTH VOICE AND LEADERSHIP

Club House Committees provide an opportunity to connect teens with our board of directors. Teens and Club staff facilitate discussions with board members around key youth issues six times per year, and work with board members to plan and implement community service projects. For example, in August 2019, 58 Club teens and board members packed 2,800 meals at Feed My Starving Children, raising \$6,000 for BGCTC and FMSC. Through Club House projects, teens gain experience in identifying and researching needs within their Clubs and the greater community and build character and leadership skills through hands-on group projects. Teens learn that they can make a difference by taking action to serve community needs.

## TEEN PATHWAYS

Teen Pathways is designed to connect young people to the opportunities they need—and deserve—in order to become productive, caring, and responsible citizens. The program encompasses all aspects of post-graduation planning including academic goal setting, making appropriate preparatory curriculum choices, interest and skills assessments, exposure to post-secondary options, industries and careers, and linkages to adult mentors in their fields of interest. This unique, overarching program strengthens teen engagement and workforce development.

### TEEN PATHWAYS ACHIEVED POSITIVE RESULTS IN FY19. OF THE 3,477 TEENS WE SERVED:

- **149** completed Find Your Fit (exploration of teens' abilities, talents, and career interests)
- **296** completed Goals for Graduation (academic goal setting)
- **390** completed Job Ready!/Career Launch (job skills/job search techniques, career exploration, and mentoring)
- **565** completed Money Matters (financial literacy)
- **211** youth completed STEM-related training (digital skills, robotics, IT certification, and more)
- **25** Career Day events were held in partnership with local business professionals
- **185** teens secured a job/internship/apprenticeship
- **197 OF 201 (98%)** of Club seniors graduated from high school with a plan for the future

## VOYAGEUR ENVIRONMENTAL CENTER

Voyageur's overnight and day camp sessions instill an appreciation for nature and give youth a chance to experience how to be both leaders and valuable group members. Outdoor recreational activities include swimming, fishing, canoeing, nature hikes, and a variety of curriculum-based courses in outdoor survival and environmental education.

Experiencing nature first-hand helps young people understand their own impact on the planet while promoting the development of more abstract senses of self that may not have a chance to flourish in a traditional classroom or within our participants' typical urban settings. Through Voyageur outdoor education, youth develop awareness and skills for their everyday lives.

### IN FY19:

- **5** residential camp sessions for Club youth were held during the summer
- **409** youth participated in residential or day camps during the summer
- **100** youth attended summer residential camp for the first time
- **4** Club teens served as Counselors in Training
- **260** Club youth participated in environmental programs during the school year
- **834** youth from other organizations/schools participated in environmental education/camp programs year-round

## 2019 YOUTH OF THE YEAR

### Anaa Jibicho, Mt. Airy Club

Recent Club graduate Anaa is an excellent example of a young man finding his way and striving to achieve his full potential. An active Club member for 12 years, Anaa participated in the Teen Pathways program and represented Boys & Girls Clubs of the Twin Cities as our community outreach intern. Anaa found positive role models in the Club staff, and he says his engagement in Club programs allowed him to overcome adversity and achieve his goals.

After being named the 2019 BGCTC Youth of the Year, Anaa went on to win the Minnesota Youth of the Year and the Midwest Youth of the Year titles and scholarships. He participated in the Boys & Girls Clubs of America national competition in Washington, D.C., an opportunity that aims to foster a new generation of leaders, fully prepared to live and lead in a diverse, global, and integrated world economy. Anaa is now attending Pomona College in Claremont, California on a full-ride scholarship.

**“The Club is a place where you can learn who you are and who you want to be. It allows you to make mistakes in order to become great.”**

—Anaa Jibicho, 2019 Youth of the Year

# SPECIAL EVENTS

## FOR THE KIDS! | OCTOBER 12, 2018, U.S. BANK STADIUM

For the Kids! is our largest annual fundraising event, and this year's Benefit was quite the party! Almost 600 guests enjoyed cocktail hour, games, and a silent auction in the Hyundai Club before walking down to the field for dinner and our program, which featured speeches from Minneapolis Mayor Jacob Frey, 2018 Youth of the Year Heaven Cunningham, and East Side Club alumna Paris Yarbrough. Guests were able to see programming in action as we recreated a literacy classroom at the venue. K-3 members led guests through literacy activities and handed out gold star stickers to those who participated.

## SPRING THAW | MARCH 9, 2019, ARIA

We kicked off the spring season with a Spring Thaw Gala at ARIA in Minneapolis. This event is presented by our Associate Board, who work each year to promote engagement and awareness of our mission with young professionals in the local community. We raised \$60,000 for the Boys & Girls Clubs of the Twin Cities.

## KIDS IN THE CITY | JUNE 11, 2019, TARGET FIELD & FULTON

Kids in the City was a success again this year, raising over \$100,000 for the Clubs. Nearly 300 supporters gathered at Fulton Brewery for a tailgate party and silent auction before joining the 80 FOX Sports North All-Stars to watch the Twins battle the Mariners at Target Field. The Twins made the night memorable with a come-from-behind win and multiple home runs!

## KNICKER OPEN | JULY 15, 2019, GOLDEN VALLEY COUNTRY CLUB

Our 2019 Knicker Open was a wonderful day of fun and fundraising. Through 27 years of the Knicker Open, golfers and sponsors have contributed well over \$1,000,000 to our programs. The generosity of our supporters makes it possible for Club kids and teens to dream big and achieve success!

## GRAND SLAM DINNER | AUGUST 21, 2019 THE CAPITAL GRILLE

With the help of our guests and sponsors, we raised nearly \$90,000 to help fund our Clubs and support our youth programs. We give a huge Thank You to the Minnesota Twins for giving their time to make this event a spectacular success, and to our generous sponsors for their gracious support of our kids and our mission.

## GREAT FUTURES FAIR | APRIL 2, 2019, JERRY GAMBLE BOYS & GIRLS CLUB

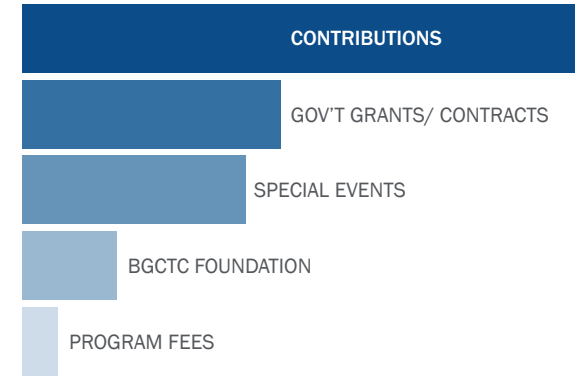

BGCTC held a Great Futures Fair for 200 Twin Cities teens; 45 vendors from corporations, trade associations, organizations, and post-secondary institutions attended the event. Teens had the opportunity to make connections with professionals from across the Twin Cities with potential for education, job or internship acquisition.
