

KIDS can GIVE

For over 25 years, Boys & Girls Clubs of the Twin Cities has collaborated with local community partners across the Twin Cities during the holiday season to collect and distribute gifts to the young people we serve during the holiday season. **Kids Can Give** is always an exciting time at our Clubs as youth love the experience of picking out special holiday gifts to express their gratitude for parents, caregivers, siblings or other loved ones in their lives.

Embrace the true spirit of the holidays with us this year by participating in our **Kids Can Give** Holiday Gift Drive. Your generosity creates lasting memories for BGCTC Club Members, making this festive season truly unforgettable. Check out gift suggestions below or scan the QR code to shop today!
