

JOIN US FOR KIDS CAN GIVE 2025!

For over 25 years, Boys & Girls Clubs of the Twin Cities has hosted our annual gift drive, Kids Can Give. Each year, generous community partners collect and donate gifts during the holiday season to distribute to the young people we serve. Once gift donations are distributed to our Club sites, members “shop” for gifts at their Club stores to give to the their loved ones.

Kids Can Give is always a fun time at the Clubs and there are several ways to get involved. Join in the festivities by hosting your own gift drive, shopping our Amazon and Target wish lists, donating gift wrapping materials, and volunteering at Club stores.
